How to Register

To register your child for Lemonade Day Northern Alberta go to the website link below

How does Lemonade Day work?

Once a child has registered for Lemonade Day, they will then pick a location to attend Lemonade University.

At University each child receives a backpack with an Entrepreneur Workbook where they learn the lessons of Lemonade Day. Our facilitator will guide them through the workbook where they will learn skills like creating budgets, setting profit-making goals, serving customers, repaying investors, and gwing back to the community.

After attending Lemmy U kids are eligible to enter their area's "Best Tasting Lemonade Contest" if they choose.

Then on June 18, 2022 all participants will set up their Lemonade Stands in their towns and try their hand at running their own business. On that day they can also enter in their areas "Best Lemonade Stand Contest" as well as the "Best Entreprener Contest".

Kids who participate in Lemonade Day keep all the profit their stands make, but the program encourages them to save some, spend some and share some

Once Lemonade Day is over kids can then enter their business results on the Lemonade day Northern Alberta website and they will be entered to WIN a New Bike.
