Samantha Bracken - Lakeland College Practicum Student

My name is Samantha Bracken, I am 19 years old and I am a second year Child and Youth Care Counselling student at Lakeland College here in Vermilion. I have been placed at Vermilion Outreach Centre for my practicum from Nov. 21 - Dec. 16, 2022. I am from Clandeboye, Manitoba, but moved west of Calgary at a young age where my parents live now. I chose to take the Child and Youth Care program because I grew up in and out of the foster care system due to addiction running in my family. Unfortunately, I had very few positive interactions with social workers and professionals in the human services field. This led me to leaning on my horses for support to get through my teenage years. My love of animals and agriculture has inspired me to integrate both into my work as a Child and Youth Care worker, my dream is to be able to start my own equine therapy facility in order to work with at-risk youth. If you see me in the halls, don't hesitate to say hi!

Vanessa Jossy - Reeves College Practicum Student

Hi, my name is Vanessa Jossy. I am 23 years old and have a 2 year old son. I am taking the Mental Health and Addictions Program at Reeves College. I am doing my practicum at the Vermilion Outreach Centre until January 19th 2023. I live in Wainwright, Alberta, but travel to Vermilion for practicum. I am doing my practicum here because I love working with students and learning new things at the same time. I will be done my practicum January 19th, 2023, and plan to continue to work with students in the future.
